**Irresistible Embroideries**  
Their charm lies in their utter difference from embroideries of  
other seasons. Many of them you would mistake for laces—so fre-  
quently is the Venice lace idea introduced.  
The medallion idea, by the way, is very popular in distinc-  
tion to continuous running patterns. And there are many combi-  
nations of Mexican drawn work effects with the raised or buttonhole  
embroidery.  
Bandings will enjoy greatest favor. Many are on fine ba-  
tiste, others are on linen. Then of course there are edgings, inser-  
tions, demi-flounces and allover, some of which come in sets that  
match throughout.  
The collection is so varied we can't give details—prices range  
from 5c to \$2½ yard.  
**MANY SORTS.**  
All the wanted white fabrics are in the gathering—the best of  
the various kinds and the prettiest we could find. White shirtwaists  
are more popular than ever. Plenty of suitable fabrics for them as  
well as for entire frocks. These are some of the favorites—  
Handsome fleeced piques that have been selling for 50c yd  
now 25c.

different patterns, now 19c yard.  
Very large assortment of check and stripe Nainsook, grouped  
at three prices, 10c, 12½c, 15c.  
The daintiest and sheerest, baby patterns in check and stripe  
Dimity, 12½c to 25c yard.  
An unusually sheer, fine 72-inch Organdy for 50c. It is the  
best for the price we've ever found.

"It is the law of American politics that no man can make himself a candidate for President, and no man can prevent himself from being a candidate for President."—From a statement made by the late James G. Blaine.

The corn crop alone of the United States is big enough to more than pay the National debt.

EX-GOVERNOR BRADLEY and Hon. GEORGE W. LONG are announced for Delegate-at-Large from Kentucky to the National Republican Convention at Chicago; and both declare in favor of Roosevelt's nomination.

ALL is not harmony at Frankfort. Senator J. CAMPBELL CASTELL said a few days ago in the Senate, speaking of Governor BECKHAM—"His Satanic Majesty, sitting above the roaring fires of Hell watching his writhing victims, had more of gratitude than the Governor of Kentucky."

Senator CASTELL is, by the way, a son of the famous Judge JAMES E. CASTELL.

PLANS for improvements and alterations on the Pennsylvania Railroad system between New York and Pittsburgh involving an expenditure of nearly \$70,000,000 have been approved by President CASSIDY. Just think of it! A private enterprise spending more money to better its transportation facilities than the Government is asked to appropriate for making a nine-foot stage in the Ohio river from Pittsburgh to Cairo.

William Robson, former mayor of Bellevue, dropped dead in his palatial residence, unexpectedly, Thursday morning.

The Senate concurred in the House amendments to the schoolbook bill, and that measure now goes to the Governor for approval.

A bill was introduced in the House at Frankfort yesterday providing for the fine of those who remove their headgear in a public place.

Representative Paul Hollin of Fleming has introduced a bill in the House making it a felony to obtain money or merchandise on credit by false writing.

The Wiehle Soap Company's immense plant, located midway between Coal Grove and Ironport, O., was totally destroyed yesterday morning. The loss is approximated at from \$25,000 to \$30,000, with a total insurance of \$20,000.

They must be in the Courthouse not later than 11 o'clock, Saturday, February 20th.

The exercises at the Opera-house begin promptly at 1 o'clock, and a train on the L. and N. will leave after the Fair.

Yellow Corn—(Twenty-five ears make a sample) First premium \$3, second premium \$2, third premium \$1.

Wheat—(One peck of wheat, any kind) First premium \$2, second premium \$1, third premium \$0.50.

Potatoes—(One peck, any variety) First premium \$2, second premium \$1, third premium \$0.50.

Address for further information John Duley, President of the Board of Trade, or H. C. Curran, Secretary of Board of Trade, Maysville, Ky.

THE LEDGER leads in all, and is the favorite paper of the people.

This is a billion-dollar country in some ways, but not in others. It is a billion-dollar country in the one matter of corn, when the crop, in 1902, was of greater value than \$1,000,000,000, but in the matter of the National debt it is not. According to the latest statistics from the Department of Commerce and Labor, the corn crop and the National debt are running a race—the corn crop of 1903 falling to the value of \$952,868,801, while the National debt fell to \$925,011,637.

As investigation shows that our Merchant Marine, instead of keeping pace with our commercial development, has actually declined. Our registered ocean fleet in 1810 was 108,000 tons larger than it is now. A comparison of the tonnage of fleets registered for deep sea commerce of several Nations shows the inextinguishable weakness of our Merchant Marine.

	Tons.
United States	873,000
Italy	1,180,000
France	1,400,000
Norway	1,600,000
Germany	2,900,000
British Empire	11,800,000

The United States has developed the most marvelous foreign commerce of any Nation in the world. We are sending into other lands nearly \$5,000,000 worth of American products and commodities every day, but it is a significant fact that American ships carry less than 2 per cent. of our exports and imports. The tribute paid to foreign ships for conveying merchandise to and from the United States amounted to over \$100,000,000 last year. Our country is foremost in nearly all lines of industrial and commercial development, but it is lagging behind even the smaller foreign Nations in its Merchant Marine. The patriotic pride and the commercial instinct of our people suggest the improvement of our fleet commensurate with our commercial needs.

Congress should recognize the commercial necessity for prompt and decisive action, to the end that all American commerce may be carried in American vessels. A patriotic and self-reliant people will be satisfied with nothing less than this.

The merchants of this city are getting a hustle on them. Let every citizen join them in the forward movement.

Every farmer in Mason and every other county that grows White Burley Tobacco should get samples ready for the Fair.

The twenty-fifth session of the Grand Lodge of Kentucky, Ancient Order of United Workmen, will meet February 9th in Louisville.

All members of the First M. E. Church, South, are urged to be present at Sunday-school tomorrow morning. Some special music. Bring the children.

A Mt. Olivet news item says at his home near Santa Fe, Peter Puccini, a wealthy farmer, drank a quart of whisky and retired for the night, but never awoke. He was over 80 years old and a native of Italy.

Work has been suspended for the present drilling for oil in Bracken county and the machinery shipped back to Pennsylvania. Oil was found in considerable quantities in several wells and pronounced by experts equal to the best found in the Pennsylvania fields.

Representative Rigney of Bracken county yesterday introduced in the House three acts, one requiring backstoppers to pay county license; another empowering County Election Commission in counties containing fifth and sixth-class towns to appoint officers for municipal elections; and a third requiring railroad corporations to maintain gates where they cross public highways and streets.

THE OLD RELIABLE

River News

All boats in the Cincinnati harbor are under steam, anticipating an ice break-up.

The towboat Big Kanawha was let into the river off the docks at Ft. Pleasant.

Both Maysville and Aberdeen citizens are glad to see the ferry Launceau again plying the Ohio between the two points.

Three steamers, the Queen City, Virginia and Hudson, owned by the Pittsburgh and Cincinnati Packet Company, are safely moored behind the ice pier at the foot of Hazen street in Cincinnati.

Inspectors Kelly and Pask at New Orleans granted a Captain's license to Mrs. Ida F. McNair, wife of Captain John E. McNair. She is the fourth woman to become Captain of a river steamer.

Enterprising cities up the river sent delegations to Washington this week to appear before the Rivers and Harbors Committee and do what is necessary in furthering improvements on the Ohio.

The river situation at Pittsburgh and at other points along the Upper Ohio is serious. The rains have flooded tributaries and the ice gorges are breaking which may cause a dangerous flood stage of water. All the Indiana rivers are swollen by rain and heavy damage by floods and ice gorges is reported. Reports of high water also come from Illinois and Ohio and general rains are reported in the central states.

The big ice gorge extending many miles above Cincinnati began to move Thursday. The gorge broke at Hugginsport about 2 o'clock in the afternoon, the next break being at New Richmond at 8 p. m. The news was heralded in Cincinnati by the blowing of whistles. It is estimated the ice field was fully twenty miles in length, with thickness varying from ten to thirty feet. The condition of the stream is causing alarm all along the line.

**Cured After Suffering 10 Years.**  
H. F. Hare, Supt. Miami Cycles & Mfg. Co. Mfg. Detroit, O., suffered for ten years with dyspepsia. He spent hundreds of dollars for medicine and with doctors without receiving any permanent benefit. He says: "One night while feeling exceptionally bad I was about to throw down the evening paper when I saw an item in the paper regarding the merits of Kodol Dyspepsia Cure. I concluded to try it and while I had no faith in it I felt better after the second dose. After using two bottles I am stronger and better than I have been in years, and I recommend Kodol Dyspepsia Cure to my friends and acquaintances suffering from stomach trouble." Sold by J. Jas. Wood & Son, Druggists.

INVITATION EXTENDED

Governor and Legislature Invited to Maysville Tobacco Fair

At a well attended meeting of the Board of Trade last evening it was decided to request State Senator Cox and Representative McKnight to invite the Governor, the state officials and members of both branches of the Legislature to attend the Tobacco Fair February 20th, 1904. This has grown to be the greatest mid-winter event in Northeastern Kentucky.

The Board of Trade has determined that the Fifth Annual Tobacco and Corn Fair shall be "bigger" than any of the four preceding ones. Cincinnati and Louisville will send the largest delegations that have ever attended. Reports from all points indicate that a large exhibit of tobacco will be made.

**Dislocated Her Shoulder.**  
Mrs. Johanna Soderholm, of Fergus Falls, Minn., fell and dislocated her shoulder. She had a surgeon get it knuck in place as soon as possible, but it was quite sore and pained her very much. Her son mentioned that he had seen Chamberlain's Pain Balm advertised for sprains and soreness, and she asked him to buy her a little of it, which he did. It quickly relieved her and enabled her to sleep which she had not done for several days. The son was so much pleased with the relief it gave his mother that he has since recommended it to many others. For sale by J. Jas. Wood & Son.

BOARD OF TRADE

Addresses Itself to the Wide-Awake Merchants of Maysville

MAYSVILLE, Ky., January 8, 1904.  
To the Merchants of Maysville—Dear Sirs: On Saturday, February 20th, 1904, we have our Fifth Annual Tobacco Fair. The four which we have held in the past have proven to be very successful. They have attracted to our city the best element of all the surrounding country and a large representation from some of the principal cities of this state and Ohio. It has not only been a day of social pleasure, but a day which has brought customers to our city who have thronged our stores and gone away laden with goods from our counters. You all say, by no means let the season pass without a Tobacco Fair.  
The question arises at this point, how much of a success would the Tobacco Fair be if no one displayed any more energy or interest in its promotion than you are now doing? How many farmers have you spoken to with reference to it? How many posters have you sent out? And yet you expect it to be a success.  
The Tobacco Fair is "Our Fair." This appeal is to you to go to work and do your part toward making the Fifth Annual Tobacco Fair the greatest event in the history of Maysville. Plan some novel feature by which to advertise your business. Arrange to give some souvenir of the occasion which may be carried away by the visitors as a pleasant reminder of the event. Send premium lists out in all your letters. Yours, for success,  
JOHN DULEY,  
President Board of Trade.

**The Medicine That Cures.**  
 BENO, OKLA., May 11, 1903.  
 Wine of Cardui absolutely does cure sick women. I consider it the most valuable medicine, and it is the cheapest cure any sick woman can use, as it takes as a rule, only a few bottles to effect a complete and lasting cure. I especially recommend it for uterine or ovarian troubles, inflammation and ulceration, painful, profuse or scanty menstruation and it is a most valuable adjunct to use during the gestative period, insuring easy childbirth and speedy recovery.  
 It should have a place in every home as it is a true friend to wife, mother and maiden and I most heartily recommend it.  
**Dr. E. Buchanan**  
 WRITER AND LECTURER.  
 Dr. Mrs. Buchanan is an authority on the science of medicine and certainly appreciates the great work physicians are doing for the relief of sufferers. But this does not deter her from expressing her views in praise of Wine of Cardui.  
 Mrs. Buchanan's high intelligence and long and successful experience render her advice of great value. Wine of Cardui regulates menstruation, cures bearing-down pains and relieves suffering women of the pain and misery to which their sex is heir. You have the word of Dr. Buchanan and thousands of other eminent women that Wine of Cardui will completely cure you.  
 All druggists sell \$1.00 bottles Wine of Cardui.
